There shall be utility guying easements on all tracts or parcels of the property as required by the utility involved.

Section 3: Fishing Easement. The Declarant hereby expressly excepts and reserves unto itself and to its successors, assigns, and invitees, forever, a non-exclusive perpetual easement forty feet (40') in width, over and across and twenty feet (20') on each side of the centerline of Trail Creek, located upon the Property. Any ponds subsequently constructed by owners of tracts or parcels of the property shall not be included in said easement. This easement so reserved shall be for the purpose of fishing only and shall specifically exclude camping.

Section 4: Access Pathway Easement. The Declarant hereby expressly excepts and reserves unto itself and to its successors,

assigns, and invitees, forever, a non-exclusive perpetual footpath easement ten feet (10') in width, over and across and five feet (5') on each side of all property boundaries to provide access to public lands and the fishing area.

Section 5: Maintenance of Easements. The Declarant shall have no obligation to maintain or repair the Roads, Access Pathways, Fishing Area, or any of the above-described easements once constructed or established, except to the extent that the Declarant continues to be an Owner and member of the Association. The Association is hereby charged with the duty and responsibility of providing for the maintenance, repairs, and renovation of the Roads, Access Pathways, Fishing Area, and above-described easements.

Section 6: Conveyance of Easements. The Declarant hereby expressly agrees to convey said non-exclusive easements to all Roads, Utility, Fishing, and Access Pathways hereinabove reserved, to the Association, its successors and assigns, for the use and benefit of all Owners, their heirs, administrators, successors, assigns, and invitees, forever, upon the sale of 75% of all tracts and parcels of the Property by the Declarant.

ARTICLE III: OWNERS' RIGHTS

Section 1: Owners' Easement of Enjoyment. Every owner shall have a non-exclusive right and easement of enjoyment in and to the Roads, Fishing Area, and Access Pathways which shall be appurtenant to and shall pass with the title to every tract or parcel of the Property. An Owner's right and easement of enjoyment in and to the Roads, Fishing Area, and Access Pathways shall not be exercised in any manner which subsequently interferes with the right and easement of any other Owner with respect thereto and shall be subject to the following:

A. The right of the Association to charge reasonable fees and assessments to meet the estimated Common Expenses;

B. The right of the Association to suspend the voting rights and right to use the Fishing Area and Access Pathways by an Owner for any period during which any assessment against his tract or parcel of the Property remains unpaid;

C. The right of the County of Larimer and any other governmental or quasi-governmental body having jurisdiction over the Property to have access and the right of ingress and egress over and across the Roads, Fishing Areas, and Access Pathways for purposes of providing police and fire protection and providing any other governmental or municipal service.

Section 2: Association Rules and Regulations. The Association shall have the right and power, through its Board of Directors, to adopt such rules and regulations as it, in its sound discretion, shall determine, from time to time, necessary to regulate and govern the use of the Roads, Fishing Area, and Access Pathways, provided, however, that said rules and regulations shall not be discriminatory.

Section 3: Delegation of Use. Any Owner may delegate, in accordance with the By-Laws of the Association, his right and easement of enjoyment of the Roads, Fishing Areas, and Access Pathways to the members of his family, his guests, invitees, and tenants subject to this Declaration, the Articles of Incorporation, and By-Laws of the Association, and all rules and regulations adopted by the Association.

ARTICLE IV: ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Every Owner of a tract or parcel of the Property shall become

a member of the Association upon acquisition of said tract or parcel. Membership shall be appurtenant to and may not be separated from ownership of the tract or parcel of the Property. Membership shall pass by operation of law upon the sale of such tract or parcel, which sale may be by deed or by installment land contract. Each Owner shall have one (1) vote per tract or parcel owned within the Property and shall be entitled to vote as provided in the Articles of Incorporation and By-Laws of the Association. When more than one (1) person or entity holds a beneficial interest in a lot, tract, or parcel of the Property, as a joint tenant, tenant in common, or otherwise, all such persons shall be members of the Association but shall be considered as only one (1) Owner for voting purposes. Concept: 1 vote per tract or parcel, 1 assessment per tract or parcel.

ARTICLE V: ASSESSMENT FOR COMMON EXPENSES

Section 1: Personal Obligation for Owners for Assessments. The Declarant, for each tract or parcel of the Property owned, hereby covenants, and each Owner of any tract or parcel of the Property by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay all assessments imposed by the Association to meet the estimated Common Expenses. Assessments for the estimated Common Expenses shall be due yearly or at such other intervals as may be set by the Association from time to time. The Association shall prepare and deliver by mail to each member a statement for the yearly assessment.

Section 2: Amount of Assessments. Assessments made for the Common Expenses shall be based upon the cash requirements deemed to be the aggregate sum which the Association shall, from time to time, determine to be paid by the Owners, including the Declarant, to provide for the Common Expenses. The amount of the assessment which shall be paid by each Owner of a tract or parcel of the property shall be determined by dividing the aggregate sum the Association determines to be paid by the Owners as hereinabove provided and the proportionate share of said aggregate sum based upon the number of tracts or parcels owned within the Property. In no event shall said assessment exceed Seventy-Five Dollars (\$75) per year per each tract or parcel of the Property. This limitation may be waived by an Owner who wishes to pay in excess of said limitation in any one year and may be revised by the Association as future needs dictate as provided in the Articles of Incorporation or By-Laws of the Association. In the event any tract or parcel of the Property is subdivided, each person or entity purchasing a portion of any such subdivided tract or parcel of the property shall be an owner for purposes of these covenants and shall be obligated to pay the assessment for Common Expenses as herein provided. Notwithstanding the foregoing, the Declarant shall not be obligated to pay an assessment in excess of that paid by an owner of thirty-five (35) acres regardless of the number of tracts or parcels actually owned by the Declarant.

ARTICLE VI: LIEN FOR NON-PAYMENT OF ASSESSMENTS

Section 1: Effect of Non-Payment of Assessments, Remedies of the Association. It shall be the duty of each Owner to pay a proportionate share of the Common Expenses and any other expenses as set forth in this Declaration and as assessed by the Association. Payment thereof shall be in such amounts and at such times as may be determined by the Association. If any Owner shall fail or refuse to make any such payments when due, the amount thereof shall constitute a lien on that Owner's tract or parcel of the property as set forth in the deed of conveyance to said Owner; and upon the recording of notice thereof by the Association, such lien shall be constituted upon such Owner's interest in said tract or parcel of the property prior to all other liens and encumbrances, recorded or unrecorded, except taxes, special assessments, and special taxes theretofore or thereafter levied

by any political subdivision or municipal corporation of this state, and other state or federal taxes which by law are a lien on the interest of such Owner prior to the pre-existing recorded encumbrances thereon, and (b) all sums unpaid on a first mortgage or first deed of trust of record, including all unpaid obligatory sums as may be evidenced by such encumbrance and including additional advances made thereon prior to the arising of this lien.

ARTICLE VII: ARCHITECTURAL CONTROLS

Section 1: Land Use and Building Type. Except as otherwise provided herein, no building shall be erected, altered, placed, or permitted to remain on any tract or parcel of the Property other than single-family residential dwellings with attached or unattached garages; unattached pump houses; residential guest houses; and non-residential outbuildings and structures such as barns, stables, or corrals for use specifically in connection with the care of livestock, as permitted under these covenants, or the maintenance of equipment. The Architectural Control Committee may grant relief from this provision for good cause.

Section 2: Approval. No building or other structure including, but not limited to, dwellings, sheds, garages, outbuildings, and fences shall be erected, placed, or altered on any tract or parcel of the Property until the plans and specifications, along with a plot plan (submitted in duplicate), showing the location of the structure, have been approved by the Architectural Control Committee, which plans shall, among other things, show the type of exterior material and finish, exterior design, existing structures, if any, and location of the structure with respect to property lines. Should the Architectural Control Committee or its successors or assigns fail to approve or disapprove the plans and specifications submitted to it by the Owner of a tract or parcel of the Property within thirty (30) days after the written request therefor, then such approval shall not be required and shall be deemed to have been given. However, no building or other structure shall be erected or allowed to remain on any tract or parcel of the Property which violates any of the covenants or restrictions contained herein. At the time said plans and specifications are approved, the builder or Owner shall proceed diligently with construction and the exterior of any such structure shall be completed within eighteen (18) months of the date of approval by the Architectural Control Committee. The Architectural Control Committee may grant an extension beyond said eighteen (18) month construction period for good cause when requested by the Owner.

Section 3: Nuisance. Nothing which may be or may become annoying or a nuisance to other Owners shall be permitted on any tract or parcel of the Property. No obnoxious or offensive activity or commercial business or trade shall be conducted upon any tract or parcel of the Property, except that professional offices, such as those of a doctor, lawyer, dentist, architect, or engineer, may be maintained within the main residential dwelling. For purposes of this covenant, ungaraged, inoperative automobiles, machines, or other equipment which remain on any tract or parcel of the Property for more than ninety (90) days shall be deemed to be a nuisance.

Section 4: Temporary Residence. No structure of a temporary character, trailer, mobile home, basement, tent, or accessory building shall be used on any tract or parcel of the Property as a residence. However, a pickup camper, camper trailer, motor home, or tent may occupy a tract or parcel of the Property if there is a permanent residential structure thereon. A pickup camper, camper trailer, motor home, or tent may occupy a tract or parcel for a period not to exceed six (6) months, for construction purposes, during the construction of the initial residential structure. In addition, a camper trailer, pickup

camper, motor home, or tent may occupy a tract or parcel of the Property for a period not to exceed one hundred eighty (180) days per calendar year for recreational purposes. The Architectural Control Committee may grant relief from this provision for good cause.

Section 5: Refuse and Rubbish. Rubbish, refuse, garbage, and other wastes shall be kept within sealed containers, shall not be allowed to accumulate on the property, and shall be disposed of in a sanitary manner. No tract or parcel of the Property or easement shall be used or maintained as a dumping ground for such materials. All containers shall be kept in a neat, clean, and sanitary condition. No trash, litter, or junk shall be permitted to remain exposed upon the Property and visible from public roads or adjoining or nearby properties.

Section 6: Livestock and Animal Control. Any tract or parcel of the property may be used for the grazing of livestock such as cattle, horses, and sheep. Overgrazing is prohibited; the livestock shall be properly cared for with adequate maintenance, food, and shelter. It shall be the responsibility of the Owner to fence the tract or parcel of the property when livestock are to be maintained on such tract or parcel. Outbuildings may be erected and maintained for such animals if approved by the Architectural Control Committee. It shall be the responsibility of the Owner to maintain control of any domestic pets so that said pets will not trespass on other Owners' property or become a nuisance.

Section 7: Fences. Fences shall be permitted provided, however, that any fence shall be constructed so as not to interfere with the Road easements hereinabove established and required for access to adjoining lands unless cattle guards are installed in place of gates.

Section 8: Advertising. No advertising, signs, or billboards shall be erected, placed, or permitted to remain on the Property. Notwithstanding the foregoing, signs offering a tract or parcel of the Property for sale, shall be permitted.

ARTICLE IX: GENERAL PROVISIONS

Section 1: Enforcement. Enforcement of this Declaration and these covenants, conditions, and restrictions shall be by appropriate proceedings at law or in equity against those persons violating or attempting to violate any covenant or covenants. Such judicial proceeding shall be for the purpose of removing a violation, restraining a future violation, for recovery of damages for any violation, for recovery of assessments due, or for such other and further relief as may be available. Such judicial proceedings may be prosecuted by any Owner or by the Association on behalf of its members, and the Association may assess the cost of such prosecution as a Common Expense. The failure to enforce or to cause the abatement of any violation of this Declaration shall not preclude or prevent the enforcement thereof of a further or continued violation, whether said violation shall be of the same or of a different provision within these covenants.

Section 2: Severability. Should any part or parts of these covenants be declared invalid or unenforceable by any court of competent jurisdiction, such decision shall not affect the validity of the remaining covenants.

Section 3: Duration. The herein included agreements, covenants, restrictions, and conditions shall run with the land; shall be binding upon all persons owning tracts or parcels of the Property and all persons hereinafter acquiring said tracts or parcels of the Property; and shall be in effect for a period of twenty-five (25) years from and after the date these covenants are recorded in the office of the Clerk and Recorder of the County
